

Note for 16-18 Year Old Group

The SSL (Suburban Swim League) has voted to allow 16-18 yr old swimmers in the league. They will not swim for points - at either dual meets or at championships. There will not be separate events added for this age group, but they will be able to swim in any open lane during an existing event and get an official time. There is no guarantee that everyone will be able to get in as many races as they want - lane availability is under the control of the coaches (both home and away). While we want and encourage both new and old Marlins to swim, we want everyone to know that we do not know how this will work out ahead of time!
